The City Water Commission may discuss, consider and/or take possible action on recommendation to the City Council on the following:

a. Presentation on the Historical Water Usage and Leak Adjustments for the City of Garden Ridge from the time period of 2013-2015

Garry Montgomery, River City Engineering, provided a PowerPoint regarding historical water usage and leak adjustments.

b. Request for water bill adjustment from Jan R H Wagner, 9040 Garden Ridge Dr., seeking relief on July 23, 2015 – August 24, 2015 water bill due to billing for 46,000 gallons and asking said bill be adjusted based on prior usage

Royce Goddard, Water Manager, stated Mr. Wagner had a malfunction of his master irrigation valve and a leak was discovered. He stated the leak was repaired and Mr. Wagner provided his repair receipt and completed the required leak adjustment request paperwork and he received a 50% reduction for the water usage.

Jan Wagner stated since the leak occurred during two water billing cycles he is requesting that the reduction he already received be reduced to his average bill of \$47.58. He stated he would like to have a reduction on the second monthly bill, but realizes the Ordinance only allows for one reduction every two years.

The Water Commission discussed the request from Mr. Wagner and the water billing cycles.

Motion: A motion was made by Commissioner Ramirez, seconded by Commissioner Bullard, to recommend to City Council the approval of water bill adjustment for Jan R.H. Wagner, 9040 Garden Ridge Dr., for reduction on half of the water usage on second bill for the period of August 25, 2015-September 23, 2015. The Water Commission voted three (3) for and none (0) opposed. The motion passed unanimously.

c. Request for water bill adjustment from Ronald Perry, 22109 Paseo Corto Dr., seeking relief on June 23, 2015 – July 24, 2015 water bill due to billing for 76,000 gallons and asking said bill be adjusted based on prior usage

Royce Goddard, Water Manager, stated at the Water Commission Meeting on October 27, 2015 the Water Commission requested I remove Mr. Perry's meter and send it in for testing. He explained the testing procedures that were used and stated Mr. Perry's meter was not accurate. He stated Mr. Perry's meter wasn't actually reading all the water that was actually flowing through it.

Ronald Perry stated he only waters once a week and he maintains his irrigation system regularly, but the amount of water that he was billed for would mean he is watering a lot more than once a week.

Motion: A motion was made by Commissioner Bullard, to recommend to City Council the approval of water bill adjustment for Ronald Perry, 22109 Paseo Corto, for reduction on half of the water usage on bill for the period of June 23, 2015-July 24, 2015. Mr. Perry stated that he

has already received that and that he is asking for his water bill be reduced to his normal bill. Commissioner Bullard withdrew his motion.

The Water Commission agreed by consensus to postpone until Mr. Perry's water bill could be pulled up in water utility system.

Motion: A motion was made by Commissioner Bullard and seconded by Commissioner Pitzen, to recommend to City Council the approval of water bill adjustment for Ronald Perry, 22109 Paseo Corto, for an additional reduction of 50% off the \$205.58 that he was already paid on the water bill for the period of June 23, 2015-July 24, 2015. Royce Goddard, Water Manager, stated Mr. Halay is seeking relief on his water bill from the period of July 23, 2015-August 24, 2015 due to a leak. He stated he has already reduced the water usage portion 50% and Mr. Halay is requesting an additional 50%.

Nancy Cain, City Administrator, read Mr. Halay's request and stated he is requesting a reduction from July 23, 2015 until the leak was found on September 8, 2015.

Motion: A motion was made by Commissioner Pitzen to recommend to City Council to deny the water bill adjustment for Michael Halay, 8044 Garden North, seeking additional relief on July 23, 2015- August 24, 2015 water bill. Motion failed due to no second.

Mayor Knaus stated by the time people get their bill it is already the next billing cycle and that is when some customers realize they have a water leak. She cautioned the Water Commission at giving 50% reduction on monthly water usage because the leak might only be for a short portion of the bill. She stated the ordinance needs to be reviewed.

Motion: A motion was made by Commissioner Bullard and seconded by Commissioner Pitzen, to recommend to City Council they deny the water bill adjustment for Michael Halay, 8044 Garden North, seeking additional relief on July 23, 2015- September 24, 2015 water bill. Mark White stated he realizes the policy says only one leak adjustment every two years, but he feels each leak should be considered on an individual basis. He stated while he was out of town his water heater burst and his irrigation system had a couple of sprinkler heads that leaked.

The Water Commission discussed the water heater and the irrigation system leaks.

Motion: A motion was made by Commissioner Ramirez and seconded by Commissioner Pitzen, to recommend to City Council the approval of the water bill adjustment for Mark R. White, 20018 Buckhead Lane, for reduction on half of the water usage on second bill for the period of July 23, 2015-August 25, 2015-September 23, 2015.
